## **Before You Leave Again** Savannah Brooks

High school is over, and to celebrate, Isaac and his best friend, Colin join in the senior class for a bonfire and party on the beach. It's a time to revel in what they've accomplished and look toward the future. But for Isaac, it's another reminder of what he's about to leave behind.

For most of his life, Isaac looked up to Colin's big brother, Christian. As the years went on, deeper feelings for his best friend's brother evolved and grew. When Christian went off to college, he unknowingly left a broken-hearted Isaac behind.

Isaac never told Christian how he felt. When Christian shows up at the beach, Isaac has to decide whether to take a chance and tell Christian the truth or not, before it's too late...

This short and sweet, gay romance is a stand-alone story capturing the heartfelt emotions between two young men and the love they have for each other.
