Institutions économiques internationales: Elément de droit international économiques (French Edition)

Philippe Vincent

Institutions économiques internationales: Elément de droit international économiques (French Edition) Philippe Vincent

Tout le monde a, un jour ou l'autre, entendu parler de l'Organisation mondiale du commerce, du Fonds monétaire international et de la Banque mondiale. Peu nombreux en revanche, sont ceux qui en connaissent les mécanismes. À travers cette deuxième édition, Philippe Vincent familiarise le lecteur avec les institutions économiques internationales, leur fonctionnement et les règles qui leur sont propres.

La première partie traite des institutions de la coopération commerciale internationale : l'Organisation mondiale du commerce, la réglementation de l'investissement international, les différentes réglementations applicables au commerce des produits de base.

La seconde partie est consacrée aux institutions de la coopération financière internationale : le Fonds monétaire international, le Groupe de la Banque mondiale, les banques régionales de développement. Enrichi de nombreux exemples, l'exposé est clair, précis et vivant.

L'auteur présente et commente les critiques qui ont déjà été faites à l'encontre des institutions économiques internationales et les initiatives qu'elles ont prises pour y répondre.
