The last thing Bastien wants is to remain under his controlling uncle's thumb. But when the patriarch passes the family company reins to Bastien, the heir is determined to prove himself. Especially when Phaedra Burke-Carter enters the picture. The sexy, savvy consultant is supposed to help Bastien improve safety and workplace conditions. But their desire in the boardroom leads to a dalliance in the bedroom. And that's *anything* but safe.

Phaedra is hungry for success and has the well-worn power suits to prove it. And never mixing business with pleasure has always been her best policy—until now. When handsome, commanding Bastien comes through for her just in the nick of time, Phaedra might learn that an "office romance" doesn't have to be an obstacle; it's a temptation.
