## Sacred Attunement: A Jewish Theology Michael Fishbane

Contemporary theology, and Jewish theology in particular, Michael Fishbane asserts, now lies fallow, beset by strong critiques from within and without. For Jewish reality, a coherent and wide-ranging response in thoroughly modern terms is needed. *Sacred Attunement* is Fishbane's attempt to renew Jewish theology for our time, in the larger context of modern and postmodern challenges to theology and theological thought in the broadest sense.

The first part of the book regrounds theology in this setting and opens up new pathways through nature, art, and the theological dimension as a whole. In the second section, Fishbane introduces his hermeneutical theology—one grounded in the interpretation of scripture as a distinctly Jewish practice. The third section focuses on modes of self-cultivation for awakening and sustaining a covenant theology. The final section takes up questions of scripture, authority, belief, despair, and obligation as theological topics in their own right.

The first full-scale Jewish theology in America since Abraham J. Heschel's *God in Search of Man* and the first comprehensive Jewish philosophical theology since Franz Rosenzweig's *Star of Redemption*, *Sacred Attunement* is a work of uncommon personal integrity and originality from one of the most distinguished scholars of Judaica in our time.

#### **Jason Manuel:**

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's spirit or real their passion. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Sacred Attunement: A Jewish Theology can make you truly feel more interested to read.
