Santiago Roncagliolo

Tan cerca de la vida (Spanish Edition) Santiago Roncagliolo

«No olvide su trabajo, Max. No olvide sus prioridades. De ser posible, no olvide nada. Hasta los cerezos tienen memoria. No pierda usted la suya.» Tokio. Un inmenso y laberíntico hotel, barrios y callejones desconocidos, personas que parecen autómatas y robots que parecen personas. Una convención sobre inteligencia artificial. Así es la ciudad donde Max, un solitario empleado de la Corporación Géminis, se moverá en busca de un sentido que organice su vida. En medio de ese entorno en que la realidad se le vuelve cada vez más confusa #el recelo que despierta en sus compañeros, la difícil comunicación con su esposa, los efectos del jet-lag y de un accidente que sufrió hace poco tiempo# conoce a una enigmática camarera, Mai, que se convertirá en la única persona en quien confiar. Santiago Roncagliolo nos presenta una novela que combina el thriller psicológico con la ciencia ficción. Una historia donde los afectos, el sexo y la amistad marcan a personajes que no lograncomunicarse en un mundo de alta tecnología. Un escenario subyugante y misterioso para una historia en la que lo imposible y lo tangible se encuentran.
