## Taxation in the New State (Routledge Revivals) J A Hobson

First published in 1919, *Taxation in the New State* explores the practical application of tax policy to the financial situation of post-World War I Britain. Hobson assesses policy according to the tax payer's ability to bear the burden and draws a distinction between 'cost' and 'surplus'. He proposes a number of reforms and considers the pitfalls of attempting to find required revenue using ordinary taxation in a post-war financial crisis.
