This is the eighth entry in Whitman's Bower Series of numismatic titles. Lavishly illustrated in full color, the Guide Book of Buffalo and Jefferson Nickels features high-resolution enlargements for important overdates and other varieties. These popular coins are given the famous Bowers treatment: insightful study, plenty of fascinating historical background, and good storytelling. Certified and surviving field populations, and historical and current market prices add to the book's reference value. Appendices cover error coins, pattern Buffalo nickels, and the chronology of the nickel five-cent piece. Full color throughout; illustrated; indexed.
