Civilizaciones Perdidas: 10 Civilizaciones Que Desaparecieron Sin Rastro. (Spanish Edition) Michael Rank

Este libro explorará las 10 más famosas civilizaciones reales o ficticias que desaparecieron sin dejar rastro. Explicará el surgimiento de estas civilizaciones, los aspectos únicos de su próspera cultura, y lo más importante de todo, las condiciones misteriosas en que desaparecieron. Los académicos han ofrecido teorías sobre como estas civilizaciones desaparecieron, y observaremos las mejores explicaciones de cómo una civilización avanzada, llena de metrópolis bulliciosas, vasta en redes mercantiles, flotas de barcos, y ejércitos en pie pueden desaparecer sin dejar nada atrás para tener algo que contar.
