Educación diferenciada: 50 respuestas para un debate (Spanish Edition)

Alfonso Aguiló Pastrana

Educación diferenciada: 50 respuestas para un debate (Spanish Edition) Alfonso Aguiló Pastrana
La enseñanza diferenciada es una opción pedagógica que busca atender más específicamente a la diversidad entre el hombre y la mujer

Tiene una buena aceptación en muchos países, con unos resultados excelentes, pero en otros lugares está envuelta en un encendido debate, con frecuencia contaminado por cuestiones ideológicas o políticas. Algunos consideran que defender la educación diferenciada es propio de posiciones conservadoras o ultrarreligiosas, de sociedades poco desarrolladas o incluso machistas. Sin embargo, si se examina el asunto con amplitud y sin prejuicios, puede observarse que se trata de una realidad presente en numerosos países, y con situaciones muy diversas en cuanto a posiciones políticas, religiosas, de desarrollo económico o de presupuestos ideológicos y pedagógicos.

En este libro se abordan las diversas objeciones que se han puesto a la educación diferenciada durante las últimas décadas en todo el mundo, citando las fuentes originales y aportando abundantes datos y estudios sobre cada tema. Es de desear que un mejor conocimiento del debate y de su historia, prestando atención a las razones de unos y de otros, con una aproximación abierta y constructiva, nos ayude a todos a seguirlo de un modo positivo y se alcancen consensos importantes.
