Panhandle Brett Cogburn

Panhandle, 2013 Western Writers of America Spur Award winner, Best First Novel

Beyond True Grit

From the great grandson of the real Rooster Cogburn, iconic hero of the Old West, comes a novel that adds an exciting new chapter to the legend of the Texas frontier.

The Texas Panhandle of the late 1880s is the last great open range of American legend. Into that wild unknown country ride two young cowboys. Nate Reynolds is the scion of a well-to-do family who lit out for the Panhandle in search of adventure--and gold. Billy Champion is a devil-may-care ne'er-do-well with a stubborn streak and an eye for the ladies. Together they aim to rid this violent territory full of rustlers, horse thieves, and the rest of the devils who slaughter innocents with no remorse.

But when these friends fall for the same green-eyed beauty, their brotherhood will be put to the test. For in a land where your fortunes can change at the cock of a hammer, a man has to stay on his guard if he's going to protect what's rightly his--and live to enjoy it. . .

In his gritty, pounding debut novel, Brett Cogburn, author of *Rooster: The Life and Times of the Real Rooster Cogburn, The Man Who Inspired True Grit*, proves he's equal to the task of writing the next great American western.

Some folks are just born to tell tall tales. **Brett Cogburn** was reared in Texas and the mountains of Southeastern Oklahoma. He was fortunate enough for many years to make his living from the back of a horse, where on cold mornings cowboys still straddled frisky broncs and dragged calves to the branding fire on the end of a rope from their saddlehorns. Growing up around ranches, livestock auctions, and backwoods hunting camps filled Brett's head with stories, and he never forgot a one. In his own words: "My grandfather taught me to ride a bucking horse, my mother gave me a love of reading, and my father taught me how to shoot straight. Cowboys are just as wild as they ever were, and I've been damn lucky to have known more than a few." The West is still teaching him how to write. Brett Cogburn lives in Oklahoma with his family.

From reader reviews:

Dorothy Guillen:

In this 21st centuries, people become competitive in every way. By being competitive now, people have do something to make these people survives, being in the middle of the actual crowded place and notice through surrounding. One thing that often many people have underestimated that for a while is reading. Sure, by reading a e-book your ability to survive enhance then having chance to remain than other is high. To suit your needs who want to start reading a new book, we give you this Panhandle book as starter and daily reading publication. Why, because this book is usually more than just a book.

Keith Cochran:

Here thing why this kind of Panhandle are different and reliable to be yours. First of all reading through a book is good however it depends in the content from it which is the content is as delightful as food or not. Panhandle giving you information deeper as different ways, you can find any reserve out there but there is no book that similar with Panhandle. It gives you thrill reading journey, its open up your current eyes about the thing that happened in the world which is probably can be happened around you. You can bring everywhere like in area, café, or even in your means home by train. When you are having difficulties in bringing the paper book maybe the form of Panhandle in e-book can be your option.

Edward Brown:

Information is provisions for people to get better life, information currently can get by anyone with everywhere. The information can be a understanding or any news even a problem. What people must be consider when those information which is inside former life are hard to be find than now is taking seriously which one is acceptable to believe or which one often the resource are convinced. If you have the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take Panhandle as your daily resource information.

Jerry Bates:

Is it you who having spare time and then spend it whole day by means of watching television programs or just lying down on the bed? Do you need something totally new? This Panhandle can be the solution, oh how comes? A book you know. You are thus out of date, spending your extra time by reading in this new era is common not a geek activity. So what these guides have than the others?
