Waterland (Vintage International)

Graham Swift

Waterland (Vintage International) Graham Swift

Set in the bleak Fen Country of East Anglia, and spanning some 240 years in the lives of its haunted narrator and his ancestors, **Waterland** is a book that takes in eels and incest, ale-making and madness, the heartless sweep of history and a family romance as tormented as any in Greek tragedy.

"**Waterland**, like the Hardy novels, carries with all else a profound knowledge of a people, a place, and their interweaving.... Swift tells his tale with wonderful contemporary verve and verbal felicity.... A fine and original work."--*Los Angeles Times*
