Have you ever read a story and wondered what *you* would do in that situation? Would you run into the abandoned house after the killer? Or run screaming from the scene to analyze the whole thing with your friends? Would you be bold enough to flirt with your crush—even though he has a girlfriend? Or would you quietly back off, in hopes of meeting a better guy to crush on?

In *Your Life, But Better*, you don't just read a story—you *become* the story. Take a quick personality quiz at the end of each chapter, and find out how *you* would act if you were confronted with the scene you just read. Are you star material? Or the queen of romance? What will you learn about yourself?
