The story of Eve does not end in the Garden of Eden, nor does the example we can draw from her experience. In this companion volume to Eve and the Choice Made in Eden , Beverly Campbell examines the lessons from Eve's mortal journey and suggests practical applications for our own paths and choices in life. The book includes chapters on seeking a personal connection with God, applying the principles of the Plan of Happiness on a daily basis, defining and working within the seasons of lives, coping with inevitable trials, giving and receiving love, and creating sacred spaces where our souls can be nurtured.
