A deal made to be broken

Everything about Alex McKnight was hard—hard body, hard heart and damn hard to ignore. Yet architect Ellie Hart couldn't deny her immediate attraction to the dark-haired, handsome contractor assigned to complete the Mercy Medical Center with her. Ellie traveled with her own emotional baggage and there was no way she was going to fall so fast for a man like Alex. But when she actually *did* fall fast—by tripping and injuring her foot—Alex came to the rescue by offering her a place to stay while she recovered.

Then Alex suggested the unthinkable: a no-strings-attached, passion-unleashed affair...at least until their project was finished and Ellie could walk again. But as restless days became tender, sleepless nights, could Ellie keep her heart safe? And more, could Alex?
