Hole in the Sky Pete Hautman

In 2028, a deadly Flu virus ravages the earth. Only one in two thousand survive the virus, and these "Survivors" are rarely left unaffected. By 2038, only 38 million people remain on Earth. Most of them live in small communities, ever fearful of outsiders who might bring the deadly Flu.

Ceej Kane lives with his uncle and his Survivor sister Harryette in an abandoned hotel on the rim of the Grand Canyon. His quiet, boring life suddenly becomes a desperate adventure when Uncle and Harryette disappear. Searching for them, Ceej and his only friend, Tim, are attacked by the Kinka, a renegade band of half-mad Survivors who spread the Flu to make more of their own. Worse yet, it appears that Harryette has joined them.

Fleeing deep into the Canyon, a narrow land of ghosts and ancient secrets, Ceej and Tim meet Bella, a mysterious Hopi girl. She has been searching the canyon for the Sipapuni, a mystical portal that the Hopi believe leads to another world. Tim thinks Bella is crazy, but Ceej is not so sure. Maybe there is a way out of this Flu-ravaged world. But first they must find out what happened to Uncle, and they must save Harryette from the Kinka -- if she wants to be saved.

As with his earlier novels, *Mr. Was* and *Stone Cold*, acclaimed author Pete Hautman pushes the boundaries of young adult fiction. Combining action, science fiction, and spirituality, *Hole in the Sky* is the rarest of novels: a thrilling page-turner that will make you think.

From reader reviews:

Araceli Burns:

As people who live in the particular modest era should be up-date about what going on or data even knowledge to make them keep up with the era which can be always change and move forward. Some of you maybe will probably update themselves by studying books. It is a good choice to suit your needs but the problems coming to a person is you don't know which one you should start with. This Hole in the Sky is our recommendation to help you keep up with the world. Why, because book serves what you want and wish in this era.

Mamie Perkins:

Nowadays reading books become more than want or need but also become a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The information you get based on what kind of reserve you read, if you want attract knowledge just go with education books but if you want feel happy read one along with theme for entertaining for instance comic or novel. Typically the Hole in the Sky is kind of reserve which is giving the reader unstable experience.

Geneva Orta:

This Hole in the Sky is great book for you because the content and that is full of information for you who also always deal with world and get to make decision every minute. This particular book reveal it info accurately using great arrange word or we can say no rambling sentences in it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tough core information with lovely delivering sentences. Having Hole in the Sky in your hand like finding the world in your arm, data in it is not ridiculous a single. We can say that no guide that offer you world inside ten or fifteen small right but this book already do that. So , this is good reading book. Heya Mr. and Mrs. active do you still doubt in which?

Oren Nelson:

Do you like reading a guide? Confuse to looking for your selected book? Or your book was rare? Why so many query for the book? But any people feel that they enjoy with regard to reading. Some people likes reading through, not only science book and also novel and Hole in the Sky or even others sources were given information for you. After you know how the truly amazing a book, you feel would like to read more and more. Science e-book was created for teacher as well as students especially. Those textbooks are helping them to put their knowledge. In other case, beside science publication, any other book likes Hole in the Sky to make your spare time considerably more colorful. Many types of book like this one.
