There were three things food writer Robin Davis promised she would never do: she would never move back to Ohio, she would never get married, and she would never join an organized religion. Never say never—today, Davis is a recent transplant to the Midwest wife and stepmother, and converted Catholic. In *Recipe for Joy*, she shares her stories of food, faith, and family life, and discovers that “food” is the language she can speak when stepping into unfamiliar territory.

*Recipe for Joy* tells Davis’s story of recognizing God’s plan, doubting it, and then discovering why God’s plan is her newfound path. The stories in *Recipe for Joy* are grouped by themes based on the courses of a meal, and each chapter ends with a recipe inspired by the theme. *Recipe for Joy* reveals that food and faith can go hand in hand and that God uses people (and some really good meals) to bring us into a closer relationship with God.
