Sean McMeekin

The Red Millionaire: A Political Biography of Willy Münzenberg, Moscow's Secret Propaganda Tsar in the West, 1917-1940 Sean McMeekin

Willy Münzenberg-an Old Bolshevik who was also a self-promoting tycoon-became one of the most influential Communist operatives in Europe between the World Wars. He created a variety of front groups that recruited well-known political and cultural figures to work on behalf of the Soviet Union and its causes, and he ran an international media empire that churned out enormous amounts of propaganda and raised money for Communist concerns. Sean McMeekin tells Münzenberg's extraordinary story, arguing persuasively that his financial chicanery and cynical propaganda efforts weakened the non-Communist left, enraged the right, and helped feed a cycle that culminated in Nazism.

Drawing extensively on recently opened Moscow archives, McMeekin describes how Münzenberg parlayed his friendship with Lenin into a personal fortune and how Münzenberg's mysterious financial manipulations outraged Social Democrats and lent rhetorical ammunition to the Nazis. His book sheds new light on Comintern finances, propaganda strategy, the use of front organizations to infiltrate non-Communist circles, and the breakdown of democracy in the Weimar Republic. It is also an engrossing tale of a Communist con man whose name once aroused fear, loathing, and admiration around the world.
