## Trick of Time JL Merrow

*A lover from another time*

When Ted Ennis steps out the doors of the Criterion Theatre for a cigarette and finds himself in Victorian London, he begins to doubt his sanity. At first he thinks it's all a film set, and is sure that the strikingly handsome young man leaning against a lamppost must be the leading man...

What starts as a sordid transaction with a beautiful rent boy quickly turns into something much deeper, drawing him back again and again as he gets to know Jem and craves meaningful encounters with him.

But Ted doesn't understand the exact conditions necessary for his trips through time—and for Jem, time may actually be running out. Now Ted has one last shot to get back to Jem and save their relationship, before it's too late...
