Revenge is a bitch, and Sariah is her biggest competition.

The name is Sariah DuShayne. I'm a real-life monster hell-bent on revenge. Five years ago, Xander Waithorn had the balls to move to my city and start spreading his werewolf virus. The bastard made me and I plan to use my hybrid DNA to change at will and get my revenge.

I should've known better than to hunt him on a full moon, but some days my vendetta gets the best of me. Hormones and Were senses raging, I accidentally ravaged some mouthy humans in a back alley. Werecat and personal stalker Stephan Colinford witnessed the entire fiasco and developed the crazy idea he could derail my path of vengeance. Talk about the cat calling the wolf a canine—Stephan has less control over his powers than I do. Then we met at his cage fight, and I couldn't help surrender my soft curves to his hard body.

Somehow, Stephan thought love would change everything, but he's wrong. I'll do whatever it takes to punish Xander and his pack of lap dogs. After Xander's hell of a werewolf-a-palooza concert, blood and fire will reign. If Death and Hell won't have me, my only prayer is Stephan will...

Warning: This title contains a hero who can sweep you off your feet, cage sex hot enough to make you sweat and a heroine tough enough to rip your throat out.
