**Ancient Egypt: Foundations of a Civilization** Douglas J. Brewer

*Ancient Egypt* is a beautifully illustrated, easy-to-read book covering the formative era of the Egyptian civilization: the age before the pyramids. Douglas Brewer shows why an awareness of the earliest phase of Egyptian history is crucial to understanding of later Egyptian culture. Beginning with a quick review of the fields of Egyptology and archaeology, *Ancient Egypt* takes the reader on a compelling survey of Egypt's prehistoric past. The book tours the Nile Valley to explore its impact on all aspects of life, from day-to-day living to regional politics, and introduces the reader to the Nile Valley's earliest inhabitants and the very first "Egyptians".
