Errors and Omissions

Paul Goldstein

Errors and Omissions Paul Goldstein

An astonishing novel of legal and moral suspense from Paul Goldstein, a stunning new legal literary talent. Meet Michael Seeley, a take-no-prisoners intellectual property litigator—and a man on the brink of personal and career collapse. So when United Pictures virtually demands that he fly out to Hollywood to confirm legally that they own the rights to their corporate cash-cow franchise of *Spykiller* films, he has little choice but to comply. What he discovers in these gilded precincts will plunge him headfirst into the tangled politics of the blacklisting era and then into the even darker world of Nazi-occupied Poland. Drawing on historical fact and legal scholarship, this is a breathless tale of deception and intrigue.

From the Trade Paperback edition.
