Will Sally and her family ever be able to go home?

When heavy rains cause the river to flood, Sally, her family, and many of their neighbors have to evacuate their homes. With nothing but the clothes on their backs, they seek shelter at the local school. At first, it seems like an adventure, but as reports come in of whole houses being washed away, Sally learns the meaning of being a true friend and a good neighbor.

Flood Friday is based on the actual flooding of western Connecticut in 1955.

This ebook features an illustrated biography of Lois Lenski including rare images and never-before-seen documents from the author's estate.
