- **Chapter audio summaries** let you quickly review content.
- **Skills Performance Checklists** ensure you are well prepared for your examinations.
- **Companion CD bound in the textbook** includes searchable audio glossary, Spanish/English audio glossary, and Butterfield's Fluids & Electrolytes Tutorial, and test-taking skills.
- **UNIQUE! *Caring for the Cancer Survivor* chapter** prepares you to address the unique health care needs of clients who have survived cancer, but still face the physical and emotional after-effects of the illness and its therapy.
- **UNIQUE! An ESL/readability specialist has edited each chapter** in the textbook to streamline the content and improve readability.
- **UNIQUE! *Evidence Based Practice* boxes summarize the results of research studies** and describe the difference the studies have made in nursing practice.
- ***Evidence-Based Practice* chapter** helps you understand how nursing research serves as the basis for determining best practice, and the critical importance of this continually evolving dynamic.
- **NCLEX® examination-style review questions** for each chapter include new alternate item format questions, as well as rationales for all answer choices.
- **Enhanced delegation coverage** notes which skills can and cannot be delegated, and indicates related tasks that should be delegated. To help you apply this information, many chapters incorporate delegation considerations into the chapter case study and address them in the critical thinking and NCLEX® exam-style review questions.
- ***Nursing Assessment Questions* boxes** help you learn to effectively phrase questions for clients.
- **Expanded coverage of informatics** familiarizes you with the use of information technology in documenting care and researching best practices.
- **UNIQUE! *Critical Thinking in Practice* sections** at the end of each chapter provide questions that require you to apply knowledge, often to the case study detailed in the chapter's care plan.
- **New *Safe Patient Handling Guidelines*** are included in the Safety chapter.
- **NOC outcomes**, as well as **NIC interventions**, are incorporated in care plans to reflect the standard used by institutions nationwide.
- **Key terms** are conveniently placed at the beginning of each chapter and include page references where definitions can be found.
