Jude's Moon (Morgan James Kids) Nancy Guettier

Jude's Moon is a delightful story of a little boy who is fascinated by the moon. He believes he is the only one that can see it, so he is always so excited to point it out to his mom. "There's the moon" he shouts with glee everytime he sees it. One day Jude was confused when the moon changed shape. He thought someone had stolen his moon and replaced it with a croissant. When he learned it was a Crescent Moon, he was even more curious to learn how it changes shapes. This story is a fun and easy way to educate kids on the Phases of the Moon.
