The Theory of Power and Organization (RLE: Organizations) (Routledge Library Editions: Organizations)

Stewart Clegg

The Theory of Power and Organization (RLE: Organizations) (Routledge Library Editions: Organizations) Stewart Clegg

In this book the author develops a theory of power and organization, derived from a critical consideration of a literature extending across sociology, political science, philosophy and organization theory. The book raises and answers some of the issues which are important in the construction of a theoretical apparatus for the analysis of power and at the same time it proposes an alternative concept of organization, centred around the themes of power and control.
