Spotlight on Desire (Harlequin Kimani Romance) Anita Bunkley

For Jewel Blaine, the spotlight and her fans are all the family she'll ever need. She is the star of the popular daytime soapie *The Proud and the Passionate*, after all. After a high-profile breakup, Jewel has come up with her own call sheet: no romantic entanglements with cast members, producers and especially directors. But when the stage lights dim, Jewel secretly yearns for a sexy leading man to costar in her real life.

Rugged, handsome Taye Elliott is new on set at *P&P*— this time behind the camera. Trained as a stuntman, but always with an eye on directing, Taye knows this is his big break. And he needs *P&P*'s leading lady to trust him. But Jewel thinks he's better off pretending to break legs than *really* calling the shots. Taye's never shied away from a challenge and he's certainly not going to now. He's perfecting the scene of a lifetime—to direct Jewel on-screen...and love her off of it.
