The Anglican Imagination: Portraits and Sketches of Modern Anglican Theologians (Ashgate Contemporary Ecclesiology) Robert Boak Slocum

The variety and depth of Anglican theology is best engaged through personal encounter with its many sources - the theologians and theological witnesses themselves. Anglican theology is often worked out in personal terms that provide a synthesis between reflection on the truths of faith and the particular contexts of culture and life. This book presents modern Anglican theology through a unique "gallery". This theological gallery includes a portrait or sketch of ten Anglican writers - DuBose, Farrer, Stringfellow, Brooks, Kemper, DeKoven, McCord Adams, Polkinghorne, Gore and Macquarrie. Theological description, interpretation and application are included for each, with the presentations differing as widely as the theologians and theological witnesses themselves. Drawing together understandings and experiences of faith, this will be an invaluable resource for students of Anglican theology and anyone who seeks to understand the distinctive perspectives and contributions of Anglicanism relative to living faith and daily life.
