Come Fly With Me...

Rhianna Lancaster has always been "different"--and not in that quirky, small-town Texas way. Nope, Ria's unique qualities are downright bizarre, which is why she tries to keep them to herself, thank you very much. So maybe she should be glad when, out for a run, she encounters a guy even weirder than she is--not to mention naked as a jaybird. . .

What Ria learns from this "Prince Kristor" person is that he's an alien sent to help her get in touch with her powers and rescue her from a mortally unfulfilling life here on earth. Good to know. Also good to know the local law enforcement, whom Ria calls after macing Good Prince Naked and running for her life. Problem is, she can't stop

"Her books are funny and romantic with the perfect blend of spice!" --Gena Showalter
