## **The Sandman (Fantasy and Horror Classics) E. A. Hoffman**

E. T. A. Hoffmann is seen as a pioneer of both Romanticism and fantasy literature, and his novella, *Mademoiselle de Scudéri: A Tale from the Times of Louis XIV* is often cited as the first ever detective story. Hoffmann's story 'The Sandman' provided both the inspiration for Léo Delibes's ballet *Coppélia*, and the basis for a highly influential essay by Sigmund Freud, called 'The Uncanny'. Indeed, Freud referred to Hoffmann as the "unrivalled master of the uncanny in literature." Many of the demonic and thriller stories, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
