Samantha and Mike were just married. A Vegas Honeymoon seemed like a typical way to go, right?

It's too bad Mike wasn't interested in consummating their marriage. It's also too bad that Mike lost an amazing amount of money that same night, and promised his new bride, Samantha, to the ravenous and magnetic Billionaire hotel owner, John Wolfe.

John Wolfe likes to take what isn't his.

John Wolfe likes to make the other man watch.

Samantha is bound to John for just one night--what's the worst that could happen?

\*\* This is a hot and quick tale of a modern, average-bodied woman getting swept up into dirty, new things that will expand her horizons. Samantha will learn a lot about herself in ways she never before imagined, and will be hard-pressed to discover her role in the new life unfolding around her.
