Brightness Reef (Uplift Trilogy Book 1)

David Brin

Brightness Reef (Uplift Trilogy Book 1) David Brin

David Brin's Uplift novels--*Sundiver*, Hugo award winner *The Uplift War*, and Hugo and Nebula winner *Startide Rising*--are among the most thrilling and extraordinary science fiction tales ever written. Now David Brin returns to this future universe for a new Uplift trilogy, packed with adventure, passion and wit.

The planet Jijo is forbidden to settlers, its ecology protected by guardians of the Five Galaxies. But over the centuries it *has* been resettled, populated by refugees of six intelligent races. Together they have woven a new society in the wilderness, drawn together by their fear of Judgment Day, when the Five Galaxies will discover their illegal colony. Then a strange starship arrives on Jijo. Does it bring the long-dreaded judgment, or worse--a band of criminals willing to destroy the six races of Jijo in order to cover their own crimes?

From the Paperback edition.
