Get a Grip on Your Business Numbers Financial Management 101: Get a Grip on Your Business Numbers is the second book in the Numbers 101 for Small Business series. This book covers business planning, from understanding financial statements to budgeting for advertising. Angie Mohr's easy-to-understand approach to small-business planning and management ensures that the money coming in is always greater than the money going out!

Analyze financial data to stay in touch with the heart of your business

Measure your business success and pinpoint new opportunities

Understand your business from the inside out

"Even Microsoft and Ford started in someone's basement or garage," says Angie Mohr. "But people all over the world have been given an idealized and unrealistic view of how to operate a business, and most discount the importance of the basics."
