## ENEMY WITHIN

Mack Bolan's hard probe into the coordinated movement between domestic militia groups exposes a conspiracy deep within the U.S. government. Someone has spent years fanning the fires of discontent, fueling righteous ideology, doing whatever it takes—blackmail, murder, selling out the American public—to pave the way for armed and angry Americans to take down their own government.

After an unauthorized attack on CIA headquarters by a renegade on the payroll, the plan of action turns immediate. The Executioner must move fast to establish countermeasures against a revolution poised to derail the government...and a senator willing to betray his country for absolute power.
