## **In the Shape of a Boar** Lawrence Norfolk

Lawrence Norfolk's *In the Shape of a Boar* is a juggernaut of a novel, an epic tour de force of love and betrayal, ancient myths and modern horrors. The story begins in the ancient world of mythic Greece, where a dark tale of treachery and destructive love unfolds amid the hunt for the Boar of Kalydon -- a tale that will reverberate in those same hills across the millennia in the final chaotic months of World War II, as a band of Greek partisans pursues an S.S. officer on a mission of vengeance. After the war, a young Jewish Romanian refugee, Solomon Memel, who was among the hunters will create a poem based on the experience, which becomes an international literary sensation. But the truth of what happened in the hills of Kalydon in 1945 is more complicated than it seems, and as the older Sol reunites with his childhood love in 1970s Paris, the dark memories and horrors of those days will emerge anew. ".... classical Greek culture and twentieth-century barbarism, the nature of human evil and the ambiguity of storytelling itself ... Dazzling." -- David Kipen, San Francisco Chronicle "Wonderfully complex ... a fascinating story built from layered narrative lines." -- Reamy Jansen, The Washington Post Book World "In the Shape of a Boar is a Herculean task accomplished with bravado and style ... storytelling of the highest echelon." -- Andrew Ervin, The Hartford Courant
