## La mujer de papel (Spanish Edition) Rabih Alameddine

Tras el éxito de *El contador de historias*, Rabih Alameddine vuelve a triunfar con esta magnífica novela titulada *La mujer de papel*, que desde las primeras páginas nos traslada a un viejo apartamento de Beirut. Ahí encontraremos a Aaliya, una mujer de unos setenta años, con el pelo teñido de azul y una historia que contar. La señora habla de su vida, pero qué vida.. Años y años dedicados a leer los mejores libros y a traducirlos, mientras en las calles de Beirut caían las bombas y retumbaban los ecos de una guerra que convirtió a muchos jóvenes pacíficos en espías y matones, obligando a una mujer sola a dormir con un rifle al lado de la cama para defenderse de los ataques imprevistos

Somos lo que leemos, dijo un sabio, y Aaliya es eso: un ser adorable, hecho de papel y sin embargo vivo, con un sentido del humor muy peculiar, que se resguarda de todo y de todos a la sombra de una vieja chaqueta de lana y de la buena literatura, buscando en los libros el amor que su familia no supo darle

Entrar en casa de Aaliya, estar ahí con ella y con sus vecinas, compartir su miedo y su valor, es una experiencia intensa que nos acerca a las mujeres que hoy mismo están viviendo las revueltas de la primavera árabe, y muestra una vez más el talento de Rabih Alameddine, un autor que nos devuelve el placer de leer

### **From reader reviews:**

#### **Charlotte Gambrel:**

As people who live in often the modest era should be change about what going on or information even knowledge to make these individuals keep up with the era which is always change and move forward. Some of you maybe will update themselves by looking at books. It is a good choice for you but the problems coming to you is you don't know which one you should start with. This La mujer de papel (Spanish Edition) is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

#### **Harry Baxter:**

Information is provisions for anyone to get better life, information these days can get by anyone in everywhere. The information can be a information or any news even an issue. What people must be consider when those information which is from the former life are challenging to be find than now's taking seriously which one works to believe or which one the particular resource are convinced. If you get the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take La mujer de papel (Spanish Edition) as the daily resource information.

#### **Deanna Marcantel:**

In this age globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The health of the world makes the information quicker to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. Typically the book that recommended for you is La mujer de papel (Spanish Edition) this book consist a lot of the information on the condition of this world now. This specific book was represented so why is the world has grown up. The words styles that writer use to explain it is easy to understand. The writer made some investigation when he makes this book. Honestly, that is why this book suited all of you.

#### **Ron Matthies:**

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this La mujer de papel (Spanish Edition) can make you truly feel more interested to read.
