Unattainable

Leslie P. Garcia

Unattainable Leslie P. Garcia

Unreachable. Dell Rosales gained her nickname, “inalcansable,” or “unreachable,” the old-fashioned way, earning it with every new rip in her heart.

Unwanted. Dell returns home to salvage her father’s ranch by opening the place to a group of girls with problems and pain not unlike her own. With her outlook on love soured - perhaps beyond salvation - she clings to Becky, the tiny little girl whose own mother preferred a life of drugs and men to motherhood.

Unwinnable. Former DEA agent Jovani Treviño has seen that the war isn’t winnable: people keep dying. Drugs keep killing them. But pleas for help from the DEA make him agree to one last battle for the good cause - checking out heiress Dell Rosales, whose ranch on the Rio Grande provides a perfect spot for traffickers to cross if she allows them to.

Unattainable. Suspicions, passion, and their respective pasts draw Dell and Jovi into a tumultuous relationship that both must to avoid. Love seems distant, foolish to seek - unattainable. When an epic flood threatens not only Dell’s ranch but the surrounding area, will anything survive?

This is a new release of a previously published edition.

From reader reviews:

Latasha Hisle:

Book is to be different per grade. Book for children until eventually adult are different content. As you may know that book is very important for all of us. The book Unattainable seemed to be making you to know about other expertise and of course you can take more information. It is rather advantages for you. The book Unattainable is not only giving you much more new information but also to become your friend when you really feel bored. You can spend your own spend time to read your e-book. Try to make relationship together with the book Unattainable. You never truly feel lose out for everything should you read some books.

Linda Pinkerton:

Information is provisions for individuals to get better life, information currently can get by anyone from everywhere. The information can be a expertise or any news even a concern. What people must be consider any time those information which is inside former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one the resource are convinced. If you obtain the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen within you if you take Unattainable as the daily resource information.

Audrey Stockman:

Reading a guide can be one of a lot of task that everyone in the world loves. Do you like reading book so. There are a lot of reasons why people enjoyed. First reading a reserve will give you a lot of new details. When you read a reserve you will get new information simply because book is one of many ways to share the information or their idea. Second, studying a book will make you actually more imaginative. When you reading a book especially fictional book the author will bring you to definitely imagine the story how the figures do it anything. Third, you may share your knowledge to some others. When you read this Unattainable, you may tells your family, friends and also soon about yours book. Your knowledge can inspire the others, make them reading a guide.

Frances Sitz:

A lot of people always spent all their free time to vacation or perhaps go to the outside with them friends and family or their friend. Were you aware? Many a lot of people spent they free time just watching TV, or maybe playing video games all day long. If you wish to try to find a new activity here is look different you can read a book. It is really fun for you personally. If you enjoy the book you read you can spent all day long to reading a guide. The book Unattainable it doesn't matter what good to read. There are a lot of people who recommended this book. These people were enjoying reading this book. Should you did not have enough space to develop this book you can buy often the e-book. You can m0ore easily to read this book through your smart phone. The price is not very costly but this book has high quality.
