## **Love and Law** Ernest Holmes

Early lectures and private lessons from celebrated spiritual teacher Ernest Holmes, illustrating the key concepts behind his influential ideas.

Ernest Holmes was a beloved teacher and philosopher with a disarmingly simple message: Change your thinking, and you will change your life. There is a creative law in the universe, Holmes reasoned, and it is available to each of us right now through our thought patterns. We can, quite literally, think our way to happiness and contentment.

**Love and Law** is a collection of carefully selected lectures and private lessons that have never before been in print. It is a splendid testament to the living philosophy of this remarkable guide and thinker.
