"This was no longer her world against the Queen. It was the Queen's world against her."

The Queen wants to destroy the life force of earth and has just killed the last being who can stop her. Or so she thinks...

The last powerful mage in the world, Princess Aura, is the sole witness to the Queen's plot. And she knows how to stop it. The problem? She can't do it alone.

To defeat the Queen, Aura must summon someone she hoped never to see again. Saint George-her lover who left her five years ago for another woman. And another. And another.

Despite his chorus line of adulteries the couple teams up and must find a way to get to the Sky Temple before the Queen does. Together, along with some unlikely saviors, they must outsmart both the baddies and one another. Can they work together long enough to defeat the Queen and save the world?

Told collectively by a troupe of digital artists, Slice of Life employs every medium possible-prose, pictures, poetry, illustrations, audio scenes, and music-to provide an immersive and exciting experience.
