The competition heats up at Fashion International High School. Bring it!

Sashay, parlay! The design competition at Fashion International High School heats up as each design house struggles to produce its first—and hopefully award-winning—line. Tensions are cropping up in the House of Pashmina, and it's not clear whether Pashmina and her best friends will weather the runway. They'd better scramble if they want to win a real shot at a fashion career and an all-expenses-paid trip to Florence!

“A high-energy journey through the world of fashion high school as seen through the eyes of several feisty fashionistas. . . . Young readers will dive into Gregory's vibrant mix of teenage realism, glamour, and fantasy.”—*Essence*
