## **Solo Dio può giudicarla (Italian Edition)** Achille Melchionda

Una rispettata pediatra bolognese uccide il padre e la sorella malati, per tentare poi di raggiungerli con il suicidio: follia, come sostiene la perizia psichiatrica, o scelta razionale e consapevole, come afferma l'imputata? Attraverso i documenti e le testimonianze, l'autore ricostruisce un fatto di cronaca scioccante analizzando con attenzione e imparzialità i sentimenti, i pensieri, le paure che si agitano nella mente di una lucida assassina. Un controverso caso di eutanasia che ha sconvolto l'opinione pubblica negli anni Settanta, suscitando un dibattito ancora oggi di scottante attualità.
