En la cocina de Afrodita (Spanish Edition) Alicia Misrahi

Comida y sexo. Sexo y comida. Uno de los más sugerentes binomios que podamos imaginar y que En la cocina de Afrodita nos describe con detalle. La obra nos descubre la íntima relación que hay entre los alimentos, su forma de cocinarlos, presentarlos y comerlos y el goce sexual. Un apetito despierta al otro si sabemos aderezar el placer adecuadamente. Podemos aprender cómo explorar la sensualidad que existe en todos nosotros a través del juego que un manjar cargado de deseo activa en nuestros sentidos. Comer es, entonces, más que un prolegómeno o un complemento; puede ser uno de los pilares de una vida sexual divertida y diferente. Si las caricias, los roces o los besos son importantes, ¿por qué no incorporar una fondue con aromas de oriente o langostinos en cama de chocolate a nuestra dieta amorosa? En la cocina de Afrodita abre caminos para fomentar y fortalecer el erotismo de tus relaciones, ya sea a través de pícaras anécdotas sacadas de la historia, de escenas de libros o de películas, de juegos seductores e intrépidos con comida, de cenas temáticas o de recetas sorprendentes, pues un buen plato y una buena puesta en escena estimulan el mayor de nuestros órganos erógenos: el cerebro
