Health and Health Care Delivery in Canada Valerie D. Thompson

No health care professional in Canada should be without a clear understanding of the Canadian health care system! **Health and Health Care Delivery in Canada, 2nd Edition** explores the nation's basic approach to health, wellness, and illness. Set entirely within a Canadian context, this text includes coverage of individual and population health, the role of federal agencies and provincial governments, health care funding, and current issues and future trends in health care. Written by experienced educator and nurse practitioner, Valerie Thompson, this textbook is ideal for all students beginning a career in health care.

- **Clear, easy-to-understand approach to health care in Canada** begins with an overview of health, wellness, and illness and proceeds through the fundamentals of the Canadian health care system, such as population health, ethical and legal issues, health care funding and principles, practice settings, and changing trends.
- **Learning Outcomes** outline the knowledge that you should gain in each chapter.
- **Key Terms** open each chapter and include page references for definitions.
- **Student-friendly learning aids** include summary tables and boxes, photographs, figures, and illustrations.
- **Review questions** at the end of every chapter test your comprehension of the material.
- **Case examples** provide real-world scenarios related to the chapter content.
- **In The News boxes** highlight landmark case law, research developments, emerging health issues, and ethical challenges.
- **Thinking It Through questions** ask you to critically consider key aspects of health and health care delivery.
- **NEW! Coverage of issues and trends** includes expanded information on mental health issues, aboriginal health, privatization, use of electronic health records, and interprofessional health care practice.

From reader reviews:

Hubert Wooten:

Reading a book tends to be new life style on this era globalization. With reading you can get a lot of information that will give you benefit in your life. With book everyone in this world may share their idea. Ebooks can also inspire a lot of people. Lots of author can inspire their very own reader with their story or even their experience. Not only the storyline that share in the guides. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors these days always try to improve their proficiency in writing, they also doing some study before they write on their book. One of them is this Health and Health Care Delivery in Canada.

Dwight McBride:

Playing with family in a very park, coming to see the water world or hanging out with good friends is thing that usually you could have done when you have spare time, in that case why you don't try issue that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Health and Health Care Delivery in Canada, you are able to enjoy both. It is good combination right, you still wish to miss it? What kind of hangout type is it? Oh can happen its mind hangout guys. What? Still don't get it, oh come on its referred to as reading friends.

Hattie Godfrey:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Health and Health Care Delivery in Canada can make you experience more interested to read.

Joseph Rankins:

Reading a e-book make you to get more knowledge from that. You can take knowledge and information from the book. Book is written or printed or descriptive from each source that will filled update of news. On this modern era like today, many ways to get information are available for you actually. From media social similar to newspaper, magazines, science book, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Ready to spend your spare time to open your book? Or just looking for the Health and Health Care Delivery in Canada when you needed it?
