The Air I Breathe: Worship as a Way of Life Louie Giglio **Where Do You Worship?**

Not everyone may frequent the church on the corner, but we each have a place of worship. For some, it's at the office. For others, before the mirror. Still others, on the basketball court. You were created to worship! So you naturally find a place to do it. But to worship anything less than God robs both Him and us. It's at the foot of the cross where we reel, trying to comprehend how a holy God could chase us down with kindness and redeem us from an eternity of futile gods. In this newly revised and refreshed edition of the original *The Air I Breathe*, you'll find your sense of worship increasing beyond church walls or a Sunday routine. Soon all of life becomes your delighted response to God!

Everybody Worships Something

What captures your time and attention?

We are all worshipers...of something. But are we spending our lives and filling our days with what matters most?

Newly revised, *The Air I Breathe* will awaken you to the reality that worship is more than a service on Sunday. It's every moment reflecting God's glory and grace.

“Some of the most inspiring teaching on worship I’ve ever heard has come from Louie Giglio. This book has inspired me as a worshiper and as a worship leader.”

—Matt Redman, Author of *The Unquenchable Worshipper* and *The Heart of Worship*
