50 Simple Questions for Every Christian Guy P. Harrison

Written in a respectful and conversational style, this unique book is designed to promote constructive dialogue and foster mutual understanding between Christians and non-Christians. The author, a skeptic and journalist, asks basic questions about Christian belief.

What is the born-again experience? Why would God want to sacrifice his only son for the world? Do miracles really happen? How reliable is the Bible? What is the rapture? Why isn't everyone a Christian? Each question is followed by commentary and analysis that is skeptical and tough but never argumentative or condescending.

Christians will find the book useful as a basis for developing their apologetics, while skeptics will welcome Harrison's probing rational analysis of religious claims.

From the Trade Paperback edition.
