## **Days of Air and Darkness (Deverry)** Katharine Kerr

Acclaimed author of the dazzling cycle of fantasy novels set in Deverry and the Westlands, Katharine Kerr continues her epic saga of humanity as a shift of power on the astral plane brings change to the world of men...

The city of Cengarn is under siege. Armies both astral and physical are massing for and against the goddess Alshandra, who seeks to prevent the birth of one fate-bound child. It falls to the dweomermaster Jill and her allies to protect the child's human mother, Princess Carra--and Deverry's already foretold future--by magic and by might. But as the warrior Rhodry wings toward the battle on dragonback, he cannot know that soon he will face his ancient enemy, Alshandra's high priestess Raena, who will use any means to destroy him. Their confrontation could turn the tide of the siege--and change the fate of Deverry forever.

*From the Paperback edition.*

#### **Christine Emmons:**

Is it you who having spare time after that spend it whole day by means of watching television programs or just lying down on the bed? Do you need something new? This Days of Air and Darkness (Deverry) can be the reply, oh how comes? A book you know. You are therefore out of date, spending your time by reading in this brand-new era is common not a nerd activity. So what these guides have than the others?

#### **Lawrence Shults:**

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Days of Air and Darkness (Deverry) can make you sense more interested to read.
