Full Exposure Evangeline Anderson

Keeley Jackson has a problem. She's madly in love with her cousin's friend Sean Hastings, but the trouble is, he doesn't know she exists. All he sees is the flat-chested little girl with the big glasses whom he always called "Squints". Despite what she might think, Sean has definitely noticed Keeley is all grown up. The proof is right there every time he looks her way. He's just not sure if he's willing to risk losing his best friend in order to have her. For Keeley, enough is enough. With the help of her best friend, she cooks up a plan that will surely show Sean she's not a little girl any longer, even if that means posing suggestively for erotic photographs. It's a risky venture, but Keeley knows in order to get Sean for herself she will have to risk nothing less than full exposure.
