Juan Sasturain

La patria transpirada: Argentina en los mundiales 1930-2010 (Spanish Edition) Juan Sasturain

Es un apotegma consabido que en la cancha, la camiseta se debe honrar, defender y, sobre todo, transpirar. El sudor es a la camiseta -en el fútbol- lo que la sangre a la bandera en la guerra. De la camiseta transpirada a la bandera ensangrentada hay un paso, sin duda excesivo. Se dice «dar la vida» en el esfuerzo; sudar sangre, exactamente. Los simbólicos colores se exaltan con la humedad. Además, siempre quedan las lágrimas de reserva: una catarata de efusiones que prometió, enumeró Churchill durante un Mundial que no era ningún juego. Parece que este tampoco lo será. Es increíble las cosas que ponemos en el juego de la pelotita. En este libro se pasa revista a los Mundiales que jugó Argentina o mejor a los mundiales que jugamos por radio, por la tele, en vivo o de memoria, de oídas o por rebote familiar.
