#### **Danny Johnson:**

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Rotator Cuff Surgery, An Issue of Clinics in Sports Medicine (The Clinics: Orthopedics) can make you feel more interested to read.
