**Who would you date if you had a time machine?**

Lucy's love life needs a boost. When she isn't flirting with the gorgeous guy at the newsstand, she's daydreaming about torrid affairs with Lord Byron and George Clooney—anyone but her boyfriend Anthony. So she does what any sensible woman would do: she steals a time machine and tracks down the great lovers of the past. From Casanova to Ovid to Byron himself, Lucy's dating pool expands to truly historic proportions. But she quickly finds that even the world's most renowned lovers have their limitations—and that her true love may be closer to home than she ever believed.
