The House of Yes Susan Jay

The House of Yes is the erotic memoir of a modern day mistress. A victim of rape at the age of four, Susan grows up to believe that only mistresses have the upper hand in the sexual game. Set against the summer of 2006, each chapter describes a different man in her life sexually, and otherwise. Susan's experiences cause her to recant her female chauvinism and grow to value her lovers both sexually, and as the modern day victims of sexist attack from women. Graphic sex scenes, rape, bondage, orgies, sexual improvisation.
